## *Welcome*

More Shorthorn herds in Kansas have started from this sale of unfitted cattle in the last three years than in any Shorthorn sale in Kansas. The principal reasons are the variety of cattle offered in these sales. We will have bulls for the purebred man, commercial man, and those interested in cross breeding.

This sale offers a large consignment of females. Many of the cows in this sale are proven individuals. Both Polled Shorthorns and Shorthorns are consigned to this sale. Some of these cows are dehorned. Many of the heifers in this sale will make outstanding 4-H projects. Also a few good steers suitable for 4-H will sell.

This sale offering can be just what you are looking for, if you like Shorthorn cattle. Commercial steers, heifers and cows will sell after the registered cattle.

Hope to see you in Salina, December 11.

MILTON H. NAGELY, Sale Manager
